Dear fellow veterinarians, my heartfull thanks for all your support and conduct of CSAVA 2023.

Greetings for a prosperous New Year 2024...!!

“Once you stop learning, you start dying” - quoted Albert Einstein and we at CSAVA strongly believe basic CPD forms the backbone for the development of the individual and our profession as a whole, which is one of our objectives to reach minimal veterinary standards.

The first of its kind CSAVA -CPD modules are aimed at providing supportive learning small environment wherein veterinarians can learn, practice and discuss on basic veterinary practices of soft tissue Surgery, Internal medicine & Gynecology for this training year 2024) with a minimal number of participants in batches to create a one to one teaching concepts. This CPD with wet labs will be coordinated by eminent senior teaching faculties with focus on teaching veterinary practice skills with to inculcate and refresh basic veterinary practice skills and upgrade practical confidence levels for CSAVA and non CSAVA members.
