

CONTINUING PROFESSIONAL DEVELOPMENT

Training calendar for 2022-2023

Dear & near small animal veterinary practitioners,

Seasons diwali 🪔 greetings from CSAVA family,

We, Chennai Small Animal Veterinarians Association (CSAVA), would like to introduce ourselves as an organisation with an objective of improving the Welfare of Small Animal Veterinarians through the many facets of One Health Approach.

CSAVA's main objectives are

1. To implement minimal practice standards (align with VCI recommendations)
2. To update veterinary small animal practice skills through Hands on CPD, lectures and seminars,
3. To provide assistance for start up veterinarians,
4. To nurture, popularize and organize the concept of referral and speciality practices
5. To focus on welfare of Small Animal practitioners

"Once you stop learning, you start dying" - quoted *Albert Einstein* and we at CSAVA strongly believe basic CPD forms the backbone for the development of the individual and our profession as a whole, which is one of our objectives to reach minimal veterinary standards.

In this regards, we are glad offer the *hands on* basic CPD for the year 2022-23 for the benefit of CSAVA members in Chennai and Non CSAVA members across India.

The first of its kind CSAVA -CPD modules are aimed at providing supportive learning small environment wherein veterinarians can learn, practice and discuss on basic veterinary practices of soft tissue Surgery, Internal medicine & Gynecology for this training year (October 2022- December 2023) with a minimal number of participants in batches to create a one to one teaching concepts.

This CPD with wet labs will be coordinated by eminent senior teaching faculties with focus on teaching veterinary practice skills with to inculcate and refresh basic veterinary practice skills and upgrade practical confidence levels.
